REMEMBER: NO REFUNDS!

The old fortune teller down at the food court warned me to stay home today but not being the sort of guy (proper pronoun as I have spent too many years with it to start a new) that wants trouble to come looking for me; I rightfully decided to cast my fate to the monsoon winds blowing in from the south and headed into the office – where this was waiting. OH MY!

通过这种高尚的社会转移应用，可以说是我们最近获得的所有成果的原因，即传播转移性信息，即拥有一些东西仍然是快乐的，或者就我们亲爱的朋友而言，他们从国际航道上的岩石和生锈的石油井架上盗播韩国家庭购物网的重播节目，到阿雷曼联邦日益增长的黑市消费交换市场。

Through this noble application of social diversion, arguably the reason for all of our recent gains, the dissemination of the diversionary message that it is still pleasurable to own something, or in the case of our dear friends who pirate reruns of Korean Home Shopping Network from the rocks and rusty oil derricks out in the international shipping lanes to the growing black market consumer exchange market of the Ahriman Federation.

我们已经破解了委曲求全的农奴制的面子，甚至在阿莱曼的最高管理层，我们看到最近交通公平和种族主义州际道路部长IWASME（正式称为前大人物政府的皮特市长）被逮捕，因为他用政府的社会信用签证卡购买了一双复古的彩虹色耐克交叉训练鞋。

We've cracked the facade of commiserating serfdom, even at the highest levels of management in Ahriman, where we saw the recent arrest of Transportation Equity and Racism Interstate Roads Secretary IWASME (formally known as Mayor Pete in the former Big Man administration) for buying a pair of vintage rainbow-colored Nike cross trainers with his government social credit visa card.

他被带到联合会的最高法律常务委员会，他们自己的内部核心，他被适当地送到一个再教育培训机构，在那里他将接受适当的再教育，了解如何在1975年柬埔寨的精神镜子中，把一无所有作为一个人致力于建设我们国家的真正标志。

He was taken to the Federation's Supreme Legal Standing Committee, their own internal core, and he was duly sent to a re-education training facility where he would be properly re-educated on how to take nothing as the true sign of one's commitment to building our nation in the spiritual mirror of Cambodia in 1975.

未来的历史学家将用他们的职业生涯来探索这一切，但是，让我告诉你，普通人被伟大的社会重置黑帮卖了一桶屎，他们只是重新包装了我们的老伙计波尔布特的商业计划，让社会回到14世纪的封建主义安全状态，加入更多经典的“书呆子的复仇”游戏规则，并直接卖给他们，作为一个新的研究愿景，即整个世界已经成熟，他们的伟大社会重置将拯救他们免受自由的邪恶。

Future historians will spend their careers exploring all of this, but let me tell you, ordinary people were sold a bucket of shit by the Great Social Reset Mob, who simply repackaged our old buddy Pol Pot's business plan to return society to the security of 14th century feudalism, added more classic "Revenge of the Nerds" game-changers, and sold them directly as a new research vision that the whole world is ripe for their Great Social Reset that will save them from the evils of freedom.
